Typ produktu		Tlačítko
Typ montáže		Povrchová montáž
Napájení		Baterie
Kompatibilita tlačítek		45 mm (Niko)
Rozteč vahadla		1 souprava
Description		When actuated, the pushbutton sends to the actuators of the comfortable electrical installation. There is no difference between blind dimmer, etc. or two-way, crossover switches or blind pushbutton, etc. necessary. The device is powered with a round cell battery and can therefore easily be mounted anywhere (screwed and glued). NO switch, branch or installation box is required due to the flat design. the pushbutton is compatible with the 45x45 mm Niko designs "Pure, Intense and Original". Battery included as standard.
