Air Compressor Accessory

**Sand spray gun, suction can**

**Item No.: 4133300**

Ident No.: 11057

Bar Code: 4006825411089

The jet gun with suction-feed can is the ideal helper for removing rust and paint residues from corners, seams and small surfaces with a working pressure of up to 8 bar. The housings of the jet gun and the suction-feed can are made of aluminium and therefore as robust as handy to use.

## Features & Benefits

- Ideal for removing rust or paint residues
- Housing and suction-feed can made of aluminium
- Cover with a practical bayonet fixing
- Infinitely variable trigger for exact dosing of spray material
