ACCESSORY

Air Compressor Accessory

Tire pressure gauge

Item No.: 4137000

Ident No.: 21081

Bar Code: 4006825411164

The tire pressure gauge is a reliable helper for inflating tires and saves many trips to the gas station. It has a large gauge which makes the pressure level easy to read. The pressure is shown in the four different units kPa, Bar, psi & kg/cm². The integrated relief valve gives you precise control for reducing a pressure which is too high to the required level.

Features & Benefits

- The pressure level is easy to read thanks to the large gauge
- The pressure is shown in four different units
- Incl. relief valve for reducing a pressure which is too high

Technical Data

- Operating pressure max. 8 bar

Logistic Data

- Product weight 0.3
- Gross weight single packaging 0.4
- Dimensions single packaging 180 x 85 x 230 mm
- Pieces per export carton 20 Pieces
- Gross weight export carton 9 kg
- Dimensions export carton 445 x 375 x 475 mm
- Container quantity (20"/40"/40"HC) 7000 | 14000 | 16000
