Rotating Sander

**TE-RS 40 E**

**Item No.: 4462000**

Ident No.: 21021

Bar Code: 4006825590661

The TE-RS 40 E eccentric grinder/sander is a robust and powerful tool that provides the type of service that no DIY enthusiast wants to be without on grinding/sanding jobs involving wood, plastic and metal. Electronic speed control ensures that the grinding/sanding power is well adjusted to the needs of the particular material and task, ensuring both a high material removal rate and fine finish.

## Features & Benefits

- Robust/powerful eccentric grinder/sander for numerous application
- High material removal rate thanks to 2 movement settings
- Perfect for a high material removal rate and fine finish
- Speed electronics adjusts to the material being processed
- Easy change of abrasive paper with micro hook-and-loop fastening
- Low vibrations thanks to aluminum mass compensation in housing
- Ergonomic surfaces featuring Softgrip
- Additional handle (removable) for balanced handling
- Active dust extraction for a clean work area
- Filter box collects dust from the grinding/sanding
- Vacuum cleaner can be attached to keep the work area really clean

## Technical Data

- |                        |                                   |
|------------------------|-----------------------------------|
| - Mains supply         | 230 V   50 Hz                     |
| - Power                | 400 W                             |
| - Oscillating speed    | 12.000 - 24.000 min <sup>-1</sup> |
| - Oscillating circuit  | 2.5 mm                            |
| - backing pad diameter | 125 mm                            |

## Logistic Data
